Petitioner hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §154 to §156 and §173 as presently shortened by any terminal disclaimer, of co-pending Patent Application No. 09/467,938.

The evidentiary documents for the assignments have been reviewed, and petitioner certifies that to the best of petitioner's knowledge and belief, title is in the assignee to take this action.
